

NEW Supporting Associate Membership

Dear Friend and Supporter of the Minneapolis Chefs Chapter,

You have supported our chapter for numerous years with our fundraising efforts for local charities such as People Serving People, Iowa Flood Relief, Elk River Fire Brunch, Feast of the Golden Fork, Learning Begins at Breakfast, Childhood Hunger Days, Home Game for Homelessness, Katrina Flood Relief. We the ACF Minneapolis Chefs Chapter want to thank you for your tremendous support.

The new board of the ACF/MCC has created a new membership level for local companies. This new membership level entitles all your employees to become members of our local chapter. This will give all of your employees the ability to attend and participate with the ACF/MCC. You will not be an active paid member of the American Culinary Federation at the National Level. If that is important you must continue to pay dues to the national office. Only that employee will maintain membership with the ACF/MCC.

This new local membership will give your company the following benefits.

- Bundle Membership– For one fee all of your employees become members of the ACF/MCC
- You will have access to our Members Only area of our new website ~ www.acfmcc.com with an up to date Members Directory
- Free logo / advertising link on our website
- A yearly membership plaque
- The authorized use of our chapter logo
- The ability to host our monthly general meetings
- Priority to give educational presentations at meetings

As a business in these difficult economic times the ability to network with culinarians at all levels is important to your future growth. This new membership level will give your company many benefits at one low fee. Don't wait to join. Have your company take advantage of all twelve months of 2009.

Sincerely,

James B Lund, CEC, ACE
